Environment Statement

Corintech has an Environmental Management System based on the standards of BS EN ISO 14001. Corintech actively practices the commitment to good environmental policy to minimise any adverse impact on the global environment.

Corintech is committed to minimising the environmental impact of its operations. In particular this shall be achieved through our undertaking to:

- Comply with all relevant environmental legislation
- Review and endeavour to reduce our overall impact of all activities and prevent pollution using best practice, wherever possible.
- Involve employees in our environmental programme and provide necessary training to enable them to discharge their responsibilities.
- Sustain a programme of continual improvement in environmental performance, incorporating suitable measurement and monitoring mechanisms.
- Engage in dialogue with key suppliers in order to encourage them in the development of environmental best practice.
- Improve energy and other resource efficiency and reduce waste.
- Comply with RoHS and WEEE where applicable.
