

JOB VACANCY

Production Operator

Fordingbridge, Hants, UK

Corintech is a world leader in the design and manufacture of advanced monitoring and data-logging systems, and provides bespoke design and manufacturing services to other market-leading companies. We are looking for Production Operators to join our Assembly department.

Full training will be given

What are we looking for?

- A team player that can show good communication skills
- A positive can-do attitude with the ability to work well as part of a team
- Have good hand-eye co-ordination and the ability to work with small components accurately
- Experience of working within a production environment would be beneficial, but not essential

Your duties may include?

- Building electronic circuits to customer specification and IPC standards
- Hand soldering, testing, conformal coating and other assembly Operations
- Ensuring product is delivered safely and in compliance to our customers' requirements
- Stock control to support the production line

Corintech is a non-smoking company
